

2007–2010 Kia Rondo 2.4L Compressor Options: 6512876 and 6512678

Global Parts Distributors, LLC

TECH TIP

There are two gpd replacement compressor options for a 2007–2010 Kia Rondo 2.4L gas engine, 6512876 and 6512678. During the Kia Rondo production cycle, the OE compressor style was changed from a Denso style 10PA17 to a Denso style 6SBU16. There are key differences between these compressor styles that can be identified by looking at the hose mounts on the compressor.

- gpd 6512876(Denso 10PA17 style) will have two hoses that mount to the top of the compressor via a manifold.

- gpd 6512678 (Denso 6SBU16 style) will have one hose that mounts to the body and another that mounts to the rear of the compressor.
