

1994–1999 Dodge Ram 5.9L Diesel Engine Fan Clutch Options: 2911268 and 2911269

There are two gpd replacement fan clutch options for 1994–1999 Dodge Ram 6.9 Diesel pickups. The key difference between these two is the thread on the clutch hub, so they cannot be interchanged.

- gpd 2911268 is a “severe duty” fan clutch with a *counter clockwise* clutch thread.

2911268

- gpd 2911269 is a heavy duty fan clutch with a *clock wise* clutch thread.
