

2011 Chevrolet Cruze

Compressor Options: 6512820 and 6512822

gpd offers two compressor options for the 2011 Chevrolet Cruze 1.4L, a standard model compressor replacement and an Eco model compressor replacement.

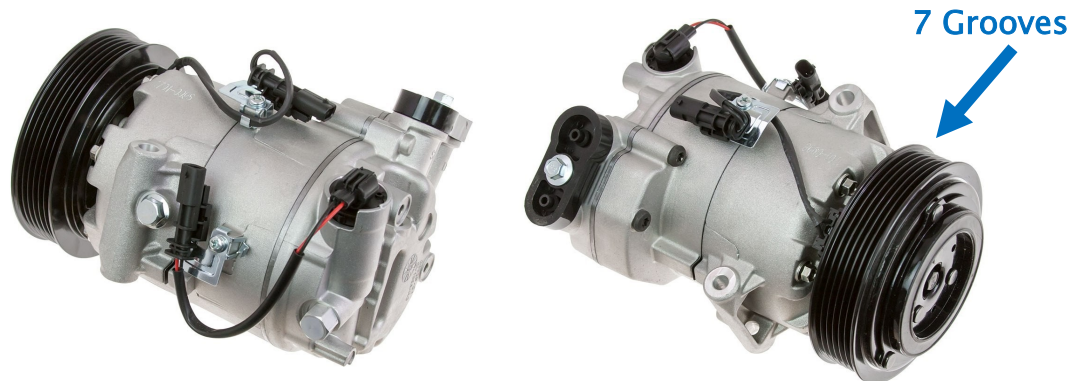

- gpd compressor 6512822 is suited for the 2011 Chevrolet Cruze 1.4L standard model.

6512822 (Standard Model)

Constant drive compressor (always on).

- gpd compressor 6512820 is suited for the 2011 Chevrolet Cruze 1.4L Eco model. In addition to engine improvements and front end airflow design changes for improved fuel economy, the Eco model also features an electronically controlled variable drive compressor with a clutch that turns on/off vs. the standard model's constant drive version.

6512820 (Eco Model)

Clutch driven compressor (turns on/off)
