

# 2009–2016 Toyota Corolla Blower Motor Options: 2311714 and 2311784

gpd offers two blower motor replacement options for 2009–2016 Toyota Corolla models depending on whether the system has automatic temp/climate control or not. Refer to gpd Tech Tip #112 for more information on manual vs. automatic climate controls.

- gpd blower motor, 2311714, suits 2009–2016 Toyota Corolla models with a manual temperature control system. This blower motor requires a blower motor resistor, 1712842.

- gpd blower motor, 2311784, suits 2009–2016 Toyota Corolla models with an automatic temperature control system. This blower motor does not require a blower motor resistor as it is designed to operate through Pulse Width Modulation (PWM), which is controlled by the ECU.
