Exp Valve / Orifice Tubes	3411515
Seals/ Gaskets/ Orings	1321339

- gpd Kits+ components vary based on customer needs. Letters following the kit # do not correlate to kit components. The letters simply identify a kit variant.

- Each kit contains one of each of the part types listed. To order Kits+, select the desired quantity and "Check Out". Orders can also be placed by phone via 1-800-722-5089
